# Payroll People Inc.

Employ, enable, and empower your real estate workforce.

Deliver a comprehensive employee experience platform that simplifies business operations.

Managing a real estate business requires careful precision and staying on top of a variety of tasks. Identifying ways to simplify processes and reduce the risk of errors can benefit the entire team.

You can minimize the time spent on tedious tasks, while improving accuracy and boosting engagement with the platform we deliver to our clients. This connected HCM solution eliminates paper processes and offers payroll, time tracking, onboarding, HRIS, benefits enrollment, and goes beyond the typical HCM to seamlessly connect and manage your workforce while adapting to the future of work.

A user-friendly HCM platform makes it easy to handle all the tasks associated with running a real estate business.

Benefits:

- Single database minimizes errors, saves time, and keeps your department in compliance
- Effortless compliance with ever-changing regulations
- Higher level of employee engagement and teamwork
- View labor data in real time and make informed business decisions
- More accurate job allocation and costing provides insights into costs and expenses
- Manage and bring on new hires

Features:

- Simplified handling of census data
- Accurate and on-demand reporting for insights into work performance and results
- Access to data improves ROI and simplifies budget preparation
- Powerful, performance-ready mobile app boosts engagement and saves time on administrative tasks
  - Clock in and out, check PTO balances, submit requests, view paychecks, and more, all through the app
- Job costing and transfers
- One database for employee records, certifications, and expertise
